Dear Mr. Krishnan:

This is a final response to your client's Freedom of Information Act (FOIA) request to the Office of the Director of National Intelligence (ODNI) dated December 13, 2017 and received by ODNI on May 29, 2018, seeking: "(1) all non-disclosure agreements and other agreements, including templates or standard forms of such agreements, imposing prepublication review obligations on agency and/or former agency employees; (2) all documents relating to administrative appeals filed from prepublication-review determinations, including but not limited to: (a) administrative appeals; (b) any correspondence or back-and-forth between an agency and an individual who filed an administrative appeal; and (c) final decisions with respect to administrative appeals; (3) all documents relating to any form of sanction imposed, or considered for imposition, on agency and/or former agency employees for failure to comply with their prepublication-review obligations; ... (7) all IC-wide policies regarding prepublication review issued by the Director of National Intelligence; and (8) all reports, memoranda, and correspondence relating to the adequacy of IC information technology efforts to improve and expedite prepublication review."

Your request was processed in accordance with the FOIA, 5 U.S.C. § 552, as amended. A comprehensive search of our records located fourteen documents responsive to your request (Enclosure 2). Upon thorough review, we have determined that thirteen documents can be released in their entirety.

However, the CIA has determined information within one document must be withheld pursuant to FOIA exemption (b)(6).

If you have any questions, your attorney may contact Attorney Tamra Moore of the Department of Justice at (202) 305-8628.

Sincerely,

Sally A. Nicholson
